Lunch at Indian restaurant.

Afternoon, we will drive to the southern part of Siem Reap to embark on a short cruise at Chong Kneas, a floating village on

Tonle Sap Lake, Cambodia's biggest natural water body. The experience is wonderful as we pass by floating houses, crocodile farms, schools, friendly children in small boats, and fishermen at work. Return to the city and visit the handicraft

center of Artisans D' Angkor. Founded in 1992, this organization creates job opportunities for young people from rural areas

while reviving traditional Khmer craftsmanship. Ancient techniques are still practiced here such as wood and stone carving,

lacquering, gilding, and silk painting.

DAY 2: Wednesday, 16 September 2026

Siem Reap – Angkor temples

Early morning at about 5.00 am, take a short drive to watch the sunrise at Angkor Wat, one of the modern wonders of the

world. You will then explore the site and be amazed by the sheer size of the temple and learn how the Khmer Empire

prospered between the 9th and 13th centuries, around the time when Angkor Wat was built. Stroll through the intricately

carved hallways that show hundreds of fine carvings and discover small shrines still in use today by the local people.

08.30 am, return to the hotel for breakfast.

Lunch at Indian restaurant.

Afternoon, visit the picturesque Ta Prohm temple. This beautiful temple is overgrown with fig trees, giving a haunting yet

exotic atmosphere. The magnificent roots of the trees have merged over the centuries with the temple's huge stone blocks,

emphasizing a 'forgotten city' feeling. Finally, you will explore Angkor Thom, the ancient royal city of the Khmer Empire with

its centerpiece; the Bayon temple. As you approach, you will notice the enigmatic faces of former King Jayavarman VII

looking in every direction. Your guide will take you to the Terrace of the Elephants, which served as a platform from where

the King could welcome back his victorious army, and the Terrace of the Leper King, which holds detailed carvings winding

along a narrow passageway that leads to the Baphuon complex.
